15-25 min

debrief time

Invite

This challenge is a logic puzzle about farmers. You will get a goal, playing cards and some rules. The rest you'll need to figure out throughout the game.

Goal

Self-organize into the solution as quick as possible. Then let the facilitator know that you're ready to solve the puzzle.

Rules

- All the information you need is on the cards
- You're not allowed to show or give your cards to others
- You may tell others what's written on your cards
- You can't be writing or drawing the solution
